B 14 CAR PARK

FAILURE TO COMPLY WITH THIS BYELAW MAY RESULT IN THE REMOVAL OF THE MEMBER'S BARRIER CARD.

B 14.1 The Club's car park is primarily available for member parking on a payment basis whilst using the facilities of the Club or being engaged on Club activities. Short term parking (one hour) is also permitted whilst visiting Yarmouth for other non-Club related reasons. Parking by guests and visitors is not permitted unless the Secretary has given prior permission. Parking spaces are limited and during busy periods may not always be available. Possession of a barrier tag does not guarantee a parking space.

B 14.2 Vehicles must use designated parking areas so as not to cause an obstruction to other vehicles or to the approaches to the Club premises which may impede access by emergency vehicles. Removal of parking cones is not permitted under any circumstances without the permission of the Secretary.

B 14.3 The control of the barrier is via the use of a barrier tag. Tags can be obtained from the Office upon payment and completion of an indemnity form. Only one barrier tag may be purchased by any one member. Barrier tags remain the property of the Club and must be returned when a member chooses not to renew or resigns. Replacement barrier tags will be charged at cost. Barrier tags must not be transferred (temporarily or otherwise) to other members or non-members without the permission of the Secretary. Barrier tags must not be used to facilitate the unauthorised admission of vehicles (for example in contravention of B14.1 or B14.4). Barrier tags may be used by any person to facilitate access to and from Club property by emergency vehicles.

B14.4 All vehicles using the car park must display a current sticker in their windscreen, available from the Front Office; these must be renewed each year. Members are asked to register the relevant registration number(s) with office staff, including any vehicle changes, so that new stickers can be issued, and records updated. One barrier tag can be used for a maximum of two vehicles, but not more than one of these vehicles may be in the car park at any one time.

B 14.5 The boat sheds are primarily for the use of boats, but if vacant at any time (i.e., summer) then permits for a limited period may be available.

B 14.6 Members who are drinking or eating at the Club in the evening are permitted to leave their vehicles until 10.00am the next morning. Members wishing to leave their vehicles for longer periods must obtain permission in advance from the Secretary. Vehicle spare keys must be left with the Front Office in case it should become necessary to move the vehicle. Permission will only be granted in exceptional circumstances.

B 14.7 The General Committee has delegated the responsibility of administering the car park Byelaws to the Secretary.

B 14.8a Vehicles are parked entirely at owner's risk.

B 14.8b Anyone using the Club's car park must report any damage that is caused by them to another vehicle or other property whilst using the Club car park to a member of staff as soon as is practicable.

B 14.9 The Club reserves the right to move or remove any unregistered vehicle left in the car park without permission of the Secretary, and the Club may arrange for it to be stored off – site at the owner's expense.

B 15 DINGHY PARK

B 15.4 Spaces will be allocated on a “first come, first served” basis. However, preference will be given to boats which race at the Club.

B 15.5 Every boat and trailer must display a current dinghy park sticker. These will be issued once the dinghy park fee has been paid.

B 15.6 Dinghies are to be kept on their appropriate launching trailers, which are to be returned to the appropriate space once the dinghy has been launched and should not be left obstructing the slipway or gate.

B 15.7 The General Committee reserves the right to remove any dinghy kept in the dinghy park if it is not being used regularly and not displaying a current sticker.

B 15.8 The dinghy park will be available for use year-round less two weeks when boats will be stored elsewhere to allow for maintenance to take place. The Club reserves the right to remove all dinghies and trailers left on the park without permission and arrange for them to be stored off – site at the owner’s expense. During key Club events, such as the Taittinger RSYC Regatta, the Club reserves the right to move boats and store them elsewhere on the premises.

B 15.9 In the case of a boat or trailer abandoned on Club premises, the following procedure will be adopted:

- a. The Club will attempt to trace the owner by all reasonable means.
- b. If appropriate, the boat or trailer will be removed to another part of the premises.

B 16.2 Seasonal charges will be made for the use of a boat shed from October - April and May - September. Charges will be levied at the discretion of the General Committee.

B 16.3 Sheds will be allocated on a “first come, first served” basis. However, preference will be given to boats which race at the Club and which have made use of this facility in the previous year, and then to other boats which race at the Club.

B 16.4 The Secretary or Sailing Secretary must be notified in the event of a member wishing to use a boat shed.

B 16.5 Between May and October the boatsheds may be let out for car parking although their use as a boat shed will take priority. Any permit holder wishing to use a boat shed for car parking must obtain permission from the Secretary. Priority will be given to members who made use of this facility in the previous year.

B 16.6 Owner(s) of every boat or car stored in a boat shed must have signed an Indemnity Form available from the Accounts Administrator, and must have paid the rental charge in advance.

B 16.7 The Club reserves the right to remove any boat or car left in a boat shed without permission and arrange for them to be stored off – site at the owner's expense.

B 16.9 The Club expects any boat or car that is left in a boat shed to be adequately insured and accepts no responsibility for any damage, howsoever caused.
