SWAN
MAXI
SERIES

2023
THE CONCEPT, THE EVENTS,
THE SCORING SYSTEM.

VERSION 1 - 19/12/2022

THE CONCEPT

The main purpose of the Swan Series is that of tracking and awarding all Swan Owners racing around the world, thus creating a network of highlighted regattas.

ClubSwan Racing has therefore selected the most iconic racing events in the main racing regions, and created specific Swan Series to determine the best-performing boat of the season.

The selected events may vary every year, so as to focus on the most attractive events of the region.

Two sets of Swan Series have been created:

- Swan Regional Series
- Swan Maxi Series

The Swan Series winner will be given a special award.

INTO DETAILS: WHAT EVENTS COUNT?

THE SCORING SYSTEM 2023

How to determine the winner?

- The points score for the purposes of determining the winners of the Swan Regional Series will be calculated using each boat's final position in each event within their respective class/division, using the following example formula: in a fleet of 5 yachts, 1st will receive 5 points, 2nd will receive 4 points, 3rd will receive 3 points, 4th will receive 2 points, and 5th will receive 1 point.
- In case an Overall scoring is available, the results will be taken from the Overall Scoring.
- A boat needs only compete in one of the listed events to be eligible for the Series.
- A boat that does not compete in one or more events within the Series will receive 0 points for each event missed.
- A boat that competes in at least three events will receive a BONUS of 3 points.
- A boat that achieves an Overall win (or class/division win if Overall scoring is not available) in an event will receive a BONUS of 5 points.
- A coefficient will be applied related to the total amount of Swan yachts attending any event (Overall, in case of overall scoring or per class/division) as follows:
 - LESS THAN 5 ATTENDING SWANS = 0,6
 - 6<ATTENDING SWANS>10 = 0,7
 - 11<ATTENDING SWANS>15 = 0,8
 - 16<ATTENDING SWANS>20 = 0,9
 - MORE THAN 21 ATTENDING SWANS = 1
- **No discard will be applied.**

For 2023 the Swan Maxi Series comprises of 8 iconic events worldwide, dedicated to Swans over 18,01 m LOA.

How to determine the winner?

- The points score for the purposes of determining the winners of the Swan Maxi Series will be calculated using each boat's final position in each event within their respective class/division, using the following example formula: in a fleet of 5 yachts, 1st will receive 5 points, 2nd will receive 4 points, 3rd will receive 3 points, 4th will receive 2 points, and 5th will receive 1 point.
- A boat needs only compete in one of the three events to be eligible for the Series.
- A boat that does not compete in one or more events within the Series will

receive 0 points for each event missed.

- A boat that competes at a minimum of 6 of the listed events will receive a BONUS of 3 points.

- A boat that gets an Overall win (or class/division win if Overall scoring is not available) at an event will receive a BONUS of 5 points.

- A coefficient will be applied related to the total amount of Swan yachts attending any event (Overall, in case of overall scoring or per class/division) as follows:

- LESS THAN 5 ATTENDING SWANS = 0,6
- 6<ATTENDING SWANS>10 = 0,7
- 11<ATTENDING SWANS>15 = 0,8
- 16<ATTENDING SWANS>20 = 0,9
- MORE THAN 21 ATTENDING SWANS = 1

- **No discard will be applied.**
