

RSYC BARRIER CARD FORM 2020

If you wish to renew your card(s) or apply for a new/additional card, please complete and return this form to us by **24th January 2020**, together with your remittance of £69.00 per card. We can only renew your card if we receive your signed form. If you do not wish to renew your card this year, please return it to the RSYC Office.

Barrier cards will be re-programmed on **28th January 2020**, cards which have not been renewed by this date will be cancelled. A windscreens sticker must be displayed in each nominated car and should be collected from the Front Office or member pigeon holes from 1st February 2020. **Windscreen stickers are restricted to two per barrier card.**

There are occasions during the year when the car park/boat sheds will not be available, for example during dinghy week, when there is a marquee in the parking area or a function in the boat sheds. Members will be advised in advance of these dates by a notice in the reception area. Please read the Car Park Bye-laws shown overleaf, & which can also be viewed on the Club's website.

Existing barrier card number(s)
(See back of card on lower **left** hand side)

Car registration number(s) and model(s) - maximum of two per card:

RSYC CAR PARK BYE-LAWS

B 14 CAR PARK

FAILURE TO COMPLY WITH THESE BYE-LAWS MAY RESULT IN THE REMOVAL OF THE MEMBER'S BARRIER CARD.

Please note, barrier cards should not be stored near magnets or mobile phones as this will cause the cards permanent damage.

B14.1 The Club's car park is available for member parking on a payment basis. Parking by guests and visitors is not permitted unless the Secretary has given prior permission. Parking spaces are limited and during busy periods may not always be available. Possession of a barrier card does not guarantee a parking space.

B14.2 Vehicles must use designated parking areas so as not to cause an obstruction to other vehicles or to the approaches to the Club premises which may impede access by emergency vehicles. Removal of parking cones is not permitted under any circumstances without the permission of the Secretary.

B14.3 The control of the barrier is via the use of a non-transferable barrier card. Cards can be obtained from the Office upon payment and completion of an indemnity form. Only one barrier card may be purchased by any one member. Barrier cards remain the property of the Club and must be returned when a member chooses not to renew or resigns. Replacement barrier cards will be charged at cost.

B14.4 All vehicles using the car park must display a current sticker in their windscreen, available from the Front Office; these must be renewed each year. Members are asked to provide the relevant registration number(s) to office staff, including any vehicle changes so that new stickers can be issued, and records updated. One barrier card can be used for a maximum of two vehicles, but not more than one of these vehicles may be in the car park at any one time.

B 14.5 Special permits for extended parking may be obtained from the Front Office. These permits are strictly limited in number and do not guarantee availability of a parking space. They are renewable quarterly, and permits must be displayed while the vehicle is in the car park. Not more than one permit will be issued to members of the same family. These permits are transferable between vehicles, but not more than one of these vehicles may be in the car park at any one time. Members are asked to provide the relevant registration number(s) to office staff.

B14.6 Members may leave their vehicles overnight but are asked to remove them by 1000 hours the following morning unless the owner wishes to take advantage of Bye-law B 14.7.

B14.7 Members wishing to park their vehicles for more than 48 hours are asked to obtain permission in advance from the Secretary. The vehicle's keys are to be left with the Front Office in case it should become necessary to move the vehicle. Permission will only be granted in off-peak times or in exceptional circumstances.

B14.8 The General Committee has delegated the responsibility of administering the car park bye-laws to the Secretary.

B14.9 Vehicles are parked entirely at the owner's risk.

B14.10 The Club reserves the right to move or remove any vehicle left in the car park without permission of the Secretary, and the Club may arrange for it to be stored off-site at the owner's expense.
