10 Penalty System

10.1 The Two Turn Penalty is modified to a One Turn Penalty, only one turn, including one tack and one gybe in the same direction, is required. This changes RRS 44.1 & 2.

10.2 Exoneration Penalty.

A boat that may have broken a rule of RRS Part 2, or RRS 31 may, after finishing the race concerned and before the start of a related protest hearing, notify the Race Committee that she accepts a 20% scoring penalty as stated in RRS 44.3(c), (except that the minimum penalty is two places if that does not result in a score worse than DNF). This penalty does not reverse an OCS score, a disqualification under RRS 30.3 or a penalty under RRS Appendix P. It is not available for a breach of RRS 2 or of class rules or for gross misconduct under RRS 69. Nor is it available to a boat that caused injury or serious damage, or gained a significant advantage by her breach: in these circumstances, her penalty is to retire.

10.3 When an Exoneration Penalty is accepted:

- a). Neither the boat nor a Protest Committee may then revoke or remove the penalty.
- b). The boat shall not be penalized further in a protest hearing when the Protest Committee decides that it was appropriate to the facts found and the applicable rule.

10.4 For breaches of any rule, other than a rule of RRS Parts 1 and 2, the Protest Committee may decide the penalty.

By taking part in the event, each competitor agrees and acknowledges that:
- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
 - c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
 - e) The provision of a race management team, patrol boats and other officials and volunteers by RSYC does not relieve them of their own responsibilities;
 - f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
 - g) It is their responsibility to familiarise themselves with any risks specific to the venue or event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
 - h) For offshore races, they are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and is familiar to the crew.

13 INSPECTIONS

The fact that race officials may conduct inspections of a boat does not reduce the responsibilities of each competitor set out in this Notice of Race.
