**Cruise to Island Harbour**  
**Thursday, 23<sup>rd</sup> September 2021**

Whether by boat or car some 22 members enjoyed a very good lunch in the Breeze Restaurant at Island Harbour. I had gone the week before and had not been impressed, but this time the service was excellent and the food good.

Tom & Gill Davis had arrived the night before while *Alchemist*, *Brainwave*, *Lycia* and *Tyrrick* docked on Thursday, others arrived by car. *Brainwave*, *Lycia* & *Middlewatch* stayed until Friday.

After lunch, Anne, Ros & Roger walked up to the Folly, but Roger insists no drink was partaken. The three crews got together on *Brainwave* for evening drinks.

For those of us who made the journey back to Yarmouth by sea on Thursday afternoon it was a rough trip. As usual I was thoroughly washed down between Cowes and Newtown.

On Friday *Lycia* slipped over to Lymington for the night and ran into Sean and Sally Mylchreest and Charlie and Janetta Anderson who recommended the Rivaaz Indian Restaurant as the best in England ! Sounds like somewhere to investigate if we are to stay overnight in Lymington.

The next trip to Lymington Town Sailing Club is getting booked up with seven boats and 34 members so far. Anyone fancy a visit to Bosham Sailing Club before Christmas ? Could be a “cool” trip !!
