

**Out to Lunch at the Breeze Restaurant,**  
**Island Harbour, Thursday 19<sup>th</sup> May 2022**

Five boats and twenty-three members made up the cruise on a sparkling day, but.....the best laid plans of mice and men....

Although I had been assured by Island Harbour that there would be no delay for entry, our boats had to mill around for up to fifty minutes due to others locking out of the marina.

Eventually all were safely locked in and we congregated on the patio in brilliant sunshine for pre-prandial drinks, apart from two boats whose crew, exhausted and frustrated by the delay, opened some restorative medicine onboard!

Thank goodness for good company and laughter for our lunches seemed to be subjected to the same delays as entry to the marina. Although we were booked in to eat at 1300, it was nearly 1345 before we were served and some members had to leave before their deserts arrived! This was in complete contrast to last year when service had been both quick and efficient in both the marina and the restaurant.

The Commodore, Martyn, and Kathy, were able to welcome and chat with new Club members John Gregory and Paul Harris and their guests.

Despite all the delays and inconvenience everyone seemed to have a great time. So let us hope that that was the one trip which enhances the joy of all our others !

This week four boats and seven crew are barbequing and overnighting at Bucklers Hard and then let's have a tremendous time on **June 20<sup>th</sup>**. with our **Mid-summer feast on Newtown Spit.**

Come by sea, car, bicycle or on foot and make it an event to remember with joy !

David
