NOTICES TO COMPETITORS

VISITORS

The Flag Officers and Members of the Royal Solent Yacht Club extend a warm welcome to competitors as visitors to the Club. They are requested to sign and enter their name in the Visitors' Book situated in the foyer on the first floor landing and should acquaint themselves with the Byelaws of the Royal Solent Yacht Club, posted on the Club website.

AVOIDING POSSIBLE COLLISION WITH FERRIES

Competitors are reminded that under rule 9 (b) of the International Regulations for Preventing Collisions at Sea “a vessel of less than 20 metres in length or a sailing vessel shall not impede the passage of any other vessel navigating within a narrow channel or fairway”. The approach to Yarmouth Harbour between the Harbour East buoy and the harbour is considered to be a fairway.

Ferries have extreme difficulty in strong winds and tides when approaching or leaving Yarmouth Harbour and competitors should err on the side of safety and give way early if there is any possible doubt.

RYA RACING CHARTER

Competitors should note that the Royal Solent Yacht Club implements the RYA Racing Charter and they will be required to undertake to sail in accordance with the Charter, which can be found in the front pages of the World Sailing Racing Rules of Sailing 2021-2024 or at www.rya.org/racing/charter.

COVID-19 GOVERNMENT REGULATION AND GUIDANCE

Competitors must confirm that they have read the Government's COVID Regulation and Guidance for outdoors sports and recreation and will be mindful of the importance of it when sailing together with any guidance or procedures specified by the Royal Solent Yacht Club and the RYA to COVID-19. Please inspect the Royal Solent Yacht Club Water-based Risk Assessment Form which can be found on the 'Response to COVID' page on the website. See SI 3.1.

ENTRY FORM

Competitors **MUST** complete the Condition of Entry Form online via the RSYC website **prior to taking part in their first race of the season**. It is essential that this form is **completed in FULL**. Competitors will not be allowed to race without a completed form.

The starting line at Grants is approximately 200 metres to the east of the RSYC. 10.2 Limit Marks (Grants)

- (a) The inner limit mark for all races is the seaward post with a diamond shaped top of the starting line transit. Please note that this mark may not necessarily be in water deep enough for some boats.

- (b) The outer limit mark for all races, (except for dinghy classes), is a yellow cylindrical buoy marked with '9' in black, River Yar Boatyard, in black thereon with a yellow X top mark, located approximately 450 metres north of the signal flagstaff.
- (c) The outer limit mark for dinghy classes is a yellow buoy with '19' thereon and a yellow top mark about 120 metres north of the signal flagstaff.

10.3 Starting Line (committee boat)

- (a) The main committee boat may be identified by a white flag with 'RSYC Committee' thereon.
- (b) The starting line will be between an orange flag on the committee boat and the course side of the outer distance mark
- (c) **Please note that the distance mark or committee boat may not necessarily be in water deep enough for some boats.**

10.4 VHF Communications:

- (a) The race officers may at their discretion use VHF **channel 72** to broadcast the complete countdown sequence (or part thereof) for a race start. Also, they may identify the boats being recalled. In this event all boats being recalled for a particular start will be announced. This is for assistance to competitors and does not replace the formal starting procedure described in the NoR, SI, or Supp SI.
- (b) Except in an emergency, a boat shall neither make nor receive radio transmissions while racing that are not available to all boats. This restriction also applies to mobile telephones.

11. **WhatsApp**

- 11.1 Boats may register a mobile phone number to receive general information by WhatsApp. All information received via VHF takes precedence.

12. FINISH INSTRUCTIONS

12.1 Time Limit:

RRS 35 is varied in that:

- (a) The time limit for all races shall be 3 hours after the starting signal except for Folkboat, XOD, YOD, Cruisers and Dinghy races held on Sundays and bank holidays when the time limit shall be 2 hours.
- (b) When the first boat in a race finishes within the time limit, the race shall be valid only for those boats in the same race which finish within the time limit or within 30 minutes of the first boat to finish, whichever is the later.
- (c) For races of more than one round when the first boat in her race fails to finish within the time limit, but has completed one or more rounds of the course, the results of the race may be determined by the placings at the end of the last completed round by the first boat.
- (d) When the first boat in her race fails to complete a round of the course or pass through the gate when '□' is part of the course, as described in 9.5, by the time limit, the race shall be abandoned, unless shortened.
- (e) Should the first boat in her race fail to complete the course within the time limit, the results of the race will be determined by the placings of the boats through the gate when '□' is a mark of the course.

12.2 Finishing Line (Grants)

- (a) The finishing line, (except for dinghy classes), will be an imaginary line between the signal flagstaff and the finishing mark which is the yellow cylindrical buoy (No 9), approximately 450 metres north of the signal flagstaff.
- (b) For dinghy classes racing from Grants, the finishing line will be an imaginary line between the signal flagstaff and the yellow spherical buoy (No: 19) approximately 120 metres north of the signal flagstaff.

12.3 Finishing Line (Committee Boat)

- (a) The finishing line will be between a staff displaying a blue flag on the committee boat and the course side of the finishing line outer distance mark.
- (b) Boats shall cross the finishing line from the direction of the last mark. If an inner limit mark is laid, boats shall pass between it and the outer distance mark.

12.4 Finishing Line (Club Balcony)

The Finishing line will be an imaginary line between a staff displaying a blue flag on the eastern end of the club balcony and the outer distance mark (9).

13. PROTESTS

- 13.1 Protests shall be made in accordance with RRS Part 5 and transmitted to the RSYC Secretariat within two hours of the finishing time of the last boat in the last race of the day. Protest forms are available from the RSYC Secretariat.
- 13.2 The time and place of the hearing will be published on the RSYC website and it is the responsibility of the protestor and the protestee to acquaint themselves with this information and to present themselves at the appropriate time with any witnesses they may wish to call. The protestor and the protestee may also be informed of the time and place of the hearing by phone/text message, but if they have not received such a text this does not exonerate them from their responsibility to present themselves at the hearing. In the event of either party failing to be present at a hearing the protest may be heard in their absence.
- 13.3 The race committee or the protest committee may initiate a protest as a result of information received from any source concerning contact which has caused damage or injury. This amends RRS 60. In the event of conflict between RRS 60 and this SI, this SI will prevail.
- 13.4 Complaints about non-compliance with (a) government COVID regulation and guidance or (b) the COVID protocols applicable to

particular races or classes should be referred to the RCS to be dealt with informally. They must not be referred to a Protest Committee.

14 ARBITRATION

- 16.2 When the Y flag/board is displayed all competitors must wear a personal flotation device.
- 16.3 A boat racing shall, where applicable, comply with its class rules with regard to safety.
- 16.4 Following consultation with the relevant classes, the race committee may initiate **'white sail racing'** (no spinnakers). This will be signalled by hoisting **flag G** and the relevant class flag.
- 16.5 VHF radios capable of receiving **channel 72** must be carried by all classes except dinghy classes and a listening watch kept at all times; any class rule to the contrary is changed by this SI.
- 16.6 All boats shall keep clear of the starting line during any preceding start sequences.
- 16.7 No boat shall race with an anchor protruding beyond its bow/bowsprit or bumkin; any class rule to the contrary is changed by this SI. A boat shall not be disqualified for a breach of this instruction without prior warning and adequate opportunity to make correction.

16.8 **A boat which retires from a race shall make every effort to ensure that the race committee is notified as soon as possible and before returning to her berth. FAILURE TO COMPLY MAY RESULT IN DISQUALIFICATION FROM THE SERIES.**

16.9 **Rule 3 of the RRS states:** “The responsibility for a boat’s decision to participate in a race or to continue to race is hers alone.” Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve them of their own responsibilities;
- f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- g) It is their responsibility to familiarise themselves with any risks specific to the venue or event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
- h) For offshore races, they are responsible for ensuring that their boat is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety

equipment is properly maintained, stowed and in date and is familiar to the crew.

- i) The fact that race officials may conduct inspections of a boat does not reduce the responsibilities of each competitor set out above.

17 INSURANCE

All boats are required to hold adequate insurance and in particular to hold insurance against third party claims including cover for racing in the sum of at least £3,000,000 (three million pounds sterling). By entering, entrants declare that such cover will be maintained in full force throughout the season and agree to allow the RSYC, at its discretion, to pass on their contact details to third party insurers in the event of a possible insurance claim.
