Dear Membership Secretary,

I am writing to you to propose my mother, Margaret Whitehead, as a member of the Royal Solent Yacht Club. She has visited as a guest with myself fairly regularly over the last twenty years and she is about to move to Yarmouth, and wishes to join the club. She will be an enthusiastic social member of the club, and is looking forward to joining in the many different social activities offered by the club. She is, unfortunately, long past a sailing age, and so will not be participating in any on the water activities.

Margaret has lived for the past 40 years in Rhode Island, arguably the epicentre of the sailing world in the Americas. She has just retired as the curator of an historic house in Bristol, and has known various members of the Herrescoff family for many years. I am sure she will be able to add some new stories to our wonderful club.

Regards,

Jonathan Whitehead

Dear Membership Secretary and Members of the Committee,

**Re: Application for Membership – Ms Margaret Whitehead**

I am writing as a Full Member of the Royal Solent Yacht Club to second the application of Ms Margaret Whitehead for membership.

I have known Margaret for many years through her regular visits to the Isle of Wight, where she stays with her son, Johnathan. Over that time, I have come to know her as warm, friendly, and thoroughly sociable—someone who naturally connects with people, takes a genuine interest in others, and contributes positively to any group she is part of.

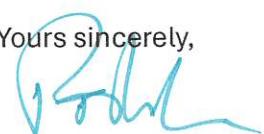

Margaret's suitability for RSYC is, in my view, strongest in the way she will engage with and add to the Club's social life. She enjoys being involved, meeting people, and supporting community activities, and she has a clear appreciation for what makes clubs like RSYC special: a welcoming atmosphere, shared interests, and a calendar of events that brings members together. Margaret is exactly the sort of person who will not only attend Club occasions but will quickly become a familiar, positive presence—someone members enjoy seeing and including.

She is considerate, dependable, and respectful of the traditions and standards of a members' club. I am confident she will embrace the Club's values and participate in its social programme with enthusiasm, while also taking a genuine pride in being part of RSYC.

If Margaret's application is approved, I would be very happy to help introduce her to other members and accompany her to Club functions so that she becomes involved and settled as quickly as possible.

Thank you for considering her application. Please let me know if any further information would be helpful.

Yours sincerely,

20.

Good evening Katie.

I interviewed Kevin Norton on Friday evening, 30th January, 2026. We spoke at length, perhaps 30 minutes, and I found him to be very sociable, with a keen interest in racing his X.O.D. Sirius. I believe that he will be an excellent addition to both our general membership and our racing scene. He has participated as crew in previous Taittinger regattas.  
David.

I will drop his form back to you tomorrow.

I understand he previously left because of family and work commitments on the mainland, I'm hoping his renewed membership will benefit us all,

With best wishes, Mal.

Dear Katie

I will drop Edwina Herrmann's membership application into you today.

I have known Edwina for some time and met her through Johnny Caulcutt who lives in the same village where she used to live before selling her house a couple of months ago.

She has a rib she currently keeps at Port Hamble and is well versed with boats and the water although I think she prefers cruising. She has visited the club with Johnny and would like to become a member as envisages spending more time in Yarmouth.

She is a lovely person who is enthusiastic and fun and would be an asset to the club.

I would like to recommend her for membership and Steve Carson is happy to second her.

Many thanks
