B 15.1d Parking by guests and visitors is not permitted unless the Club Secretary has given prior permission.

Barrier tags may be used by any person to facilitate access to and from Club property by emergency vehicles.

B 15.6 All members' vehicles parking on Club premises must display a current sticker in their windscreen, available from the Front Office; these must be renewed each year. Members are asked to register the relevant registration number(s) with office staff, including any vehicle changes, so that new stickers can be issued, and records updated. One barrier tag can be

used for a maximum of two vehicles, but not more than one of these vehicles may be in the car park at any one time.

B 15.7 Members who are drinking or eating at the Club in the evening are permitted to leave their vehicles until 10.00am the next morning. Members wishing to leave their vehicles for longer periods must obtain permission in advance from the Club Secretary. Vehicle spare keys must be left with the Front Office in case it should become necessary to move the vehicle. Permission will only be granted in exceptional circumstances.

B 15.8 Vehicles are parked entirely at owner's risk.

B 15.9 Anyone using the Club's car park must report any damage that is caused by them to another vehicle or other property whilst using the Club car park to a member of staff as soon as is practicable.
