61/25 Catering & Bar Points

House Committee members reported that they had all heard very positive feedback regarding food. In particular a salmon dish on the menu on Friday 11th July was exceptionally good as well as the Chicken Kiev served at the sailing supper on Wednesday 9th July. Special thanks was also given to House Manager Danielle for opening the bar to serve drinks to Jules Wood and his guests when they arrived at the Club and the bar was closed

62/25 Any additional points

Jules Wood reported that the format for the Gentlemen's Lunches had worked well with the lunch preceding the talk. This allowed the speaker to talk without any time constraints and was easier for the chef with food prep/serving. It was suggested that this should be tried at the next Ladies Lunch on 18th November, all in attendance agreed.

RCH suggested that local music group Hodge and Allen would be great to play at the Club and will report back with costings.
