Ladies' Lunch Speakers. Neither Claire Spragge or Rosemary Luck are available for a June talk, but would like to do a talk at some point in the future. RCH advised that he can arrange for a lady who's a psychometric tester and gives talks regularly to do a talk free of charge. Caroline felt that a June Ladies' Lunch is too soon after the end of February lunch and they would be better every 6 months. [It was suggested that Wednesday 10th September was available so Catherine would enquire if Rosemary Luck was available for this date and if not, RCH would contact the psychometric tester.](#)

Summer Charity Ball/Party. The Secretary explained that she and the Events Manager had a higher than normal workload this year (recruiting & training a Membership Secretary, the new website project and a new rep for the Taittinger RSYC Regatta) so the demands of arranging a formal Ball would unfortunately be too much on top of this. Plus, there was an RNLI Gala Ball held at the Club last year that many members attended. It is therefore suggested by the Secretary that a fundraising party be held rather than a Ball. The response from committee members was that a party with a lower ticket price would attract more attendees and raise more funds. It was agreed that Janetta's brother should still play saxophone on arrival and the ABBA tribute band would still provide live music during the evening. The band would cost £6.25 per person if there are 160 attendees. Ideally £10 of the ticket price should go to the Air Ambulance and the ticket price should remain at £45 per head if that's feasible with a summer buffet, but no complimentary drink. [A fundraising raffle would also be held, with members and sponsors to be asked by the House Committee to donate prizes.](#)

The Events Manager advised that Patrick & Jacky Sellers had said they would match £5k of fundraising for the Air Ambulance (which is the Club's chosen charity this year) and have discussed the provision of a helicopter simulator for an event at the Club. However, the simulator isn't compatible with long dresses and heels, so the Events Manager suggested that it could be brought over on the Wednesday of Carnival Week (13th August) when there would be sailors and young members around, with a donation for having a go on the simulator. The Secretary suggested this could be combined with a Sausage Sizzler event in the evening.

VE Day. There is no information yet on what event, if any, is being planned in Yarmouth for the 80th anniversary of VE Day on Thursday 8th May. It was agreed that the Club should put up union jack bunting and dress overall.

Post meeting – the Secretary proposed a charity cake sale and afternoon tea to raise funds for the Royal British Legion on 8th May.
