Summer Programme Suggestions.

Bingo – The Events Manager advised that there had been a cancellation on Saturday 5<sup>th</sup> April and suggested a possible Bingo Night. Everyone felt that this was a good idea. AFTERNOTE – this is only a week before the Fitting Out Dinner and may decrease the number attending either event. An alternative external event had now been booked. A Bingo Night will be added to the Autumn/Winter Programme.

VE Day – this year marks the 80<sup>th</sup> Anniversary of VE Day. Yarmouth Carnival Committee are planning an event (possible street party) to mark the occasion. The Secretary had spoken with Anne Kyle regarding a joint event for the RSYC and Yarmouth Carnival Committee and is yet to hear back. The Events Manager would discuss this with the Secretary in more detail.

Ladies Lunch – Catherine Holmes advised that she had spoken with RSYC Member Rosemary Luck who is interested in speaking at a Ladies Lunch. The date suggested is Wednesday 4<sup>th</sup> June. Catherine will speak with Rosemary to see if she is available. AFTERNOTE – Rosemary isn't available to speak on the 4<sup>th</sup> June but would still like to speak at a lunch later in the year.

Summer Champagne Charity Ball.

Susie Breare advised that she has spoken with Mal Butler from the IoW Observer, who is happy to cover the event. It was felt by all present that a magician wasn't needed as there would be a limited time for them to perform.

#### 16/25 Catering & Bar Points

- In her absence, Caroline Norris had forwarded an email from a member requesting the Bar to be open from 16:00 on a Friday afternoon. The Events Manager had spoken with the Club Steward who had advised that takings need to be in excess of £150 to make it financially viable. The Events Manager had researched the takings for Friday afternoons in July and August 2024 between 16:00 and 18:00. There were only 3 occasions during this time that the takings were in excess of £150. It was therefore felt that during quieter months, takings would not be high enough to make it worthwhile opening.
- There was a discussion regarding Friday Evening Happy Hour and how to increase numbers for Happy Hour and how to encourage members to stay on afterwards. It was suggested that complimentary crisps should be offered during happy hour. It was also suggested that to avoid the pinch point at the bar, the telescope should be moved this is during the winter months only.  
AFTERNOTE – complimentary crisps have been introduced, and the telescope has been moved.
