To have Lizz Wizz (6 races) and Coronation Cup (2 races) on separate b/h weekends.

One week between Cowes Week and Sunset Series.

### YOD:

SC: there are two YODs on the market *BLANDINA* & *MAGNOLIA*.

*MAGNOLIA* is available for any competent helm/crew, please contact Steve.

### Folkboats

51 entries for the 60th Folkboat week in two divisions; the Nordic racing fleet was joined by a 15 boat strong Classic fleet with their owners sleeping aboard. Yarmouth Harbour had 10 mother ships along with 15 Nordics, so was a splendid site with all boats moored together.

Thanks to Scott at the Harbour for sorting it all out.

Socials were all sold out with 133 sitting down for the final prize giving dinner.

A Sail Past the end of Yarmouth Pier took place with the IW Lord Lieutenant Susie Sheldon, Rear Commodore Sailing Nick Bradley and Folkboat Organiser David Fox taking the salute.

The local fleet that usually have a poor weekly turnout was at its best during the Sunset Series, perhaps because it was just before Folkboat Week.

Folkboat Nationals Committee are debating if we have too many racing dates across the 3 fleets and could we combine events to get more boats to provide better competition and quality racing.

### Dinghies

NB Remind all users of Dinghy Park rule B15

### Class 1&2 Cruiser Racers

The Commodore reported in the absence of the Class Captain; turnout for regular racing had been excellent this year and the numbers for 2026 looked very positive

### Cruising

David Porter reported that the Summer BBQ at Newtown was very well attended.

This Friday there is Cruising trip to Lymington.

David also reported good responses from cruising interest in further afield trips he is planning to arrange for 2026.

### **78/25 AOB**

It was unanimously agreed that the BOTs had overall been a great success and we should endeavour to continue with them next year looking at the possible funding options.

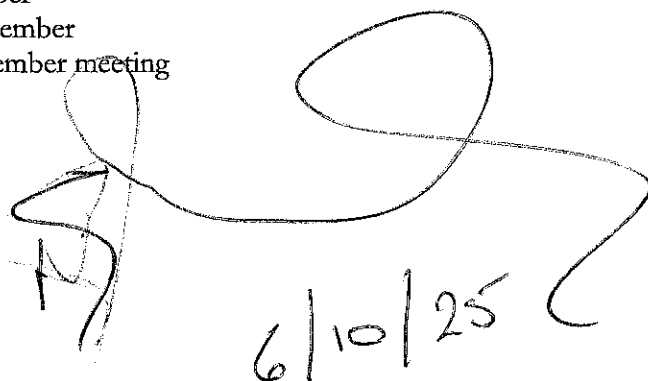

Royal Barcelona Yacht Club and San Francisco Yacht Club are having continuing conversations regarding reciprocity.
